

LAVER FAMILY SCHOLARSHIP

INFORMATION FOR PARENTS

The Laver Family Scholarship will be offered again this year for students who will graduate to High School next year. The scholarship will be for a total amount of \$3,500.00 and is granted to assist with expenses directly relating to high school education - such as school fees, uniforms, textbooks, study resources, academic supplies, computer requirements, and the like. It will be awarded in two instalments, the first awarded at graduation this year and the second late next year, usually at the graduation function.

The scholarship became possible as a result of the generosity of the Laver Family and is managed by a Board of Trustees. The board determines when a scholarship is to be awarded and it will also appoint a selection panel to formalise the allocation of the award. So that you have some information regarding the Laver Family and their history in the Mudgeeraba area I have outlined below a brief resume of the Laver Family and their involvement in Mudgeeraba.

The successful student will receive one instalment at the end of the year in which the scholarship is offered. This will be for an amount of \$1,750.00. The balance of \$1,750.00 will be awarded at the end of Year 7 following the receipt by the Trustees of a satisfactory annual report from the School at which the Candidate attends, and a record of expenditure of the first instalment; and the student continuing to be enrolled during the duration of the Scholarship. Instalments will be paid into an account nominated by the parent/guardian listed on the application form.

ELIGIBLE CANDIDATES

Under the terms of the Trust, in order to be eligible children must be enrolled in Year 6; be an Australian citizen; and have been a student here for at least the past three years consecutively.

MAKING APPLICATION

The applicant must complete the application form and all selection criteria as determined by the Board of Trustees. I will provide advice to children who are applying once I'm aware who will be applicants for the scholarship. Most criteria will be completed by the student but the child's teacher will be required to provide some information on two selection criteria while the selection panel will complete selection criterion six at the interview, should the student be short-listed for interview. The application should be supported by appropriate documentation. Photocopies of originals will be sufficient.

It is quite possible that only a short list will be interviewed by the Panel in mid November.

APPLICATION FORMS

Application forms will be available from our school reception.

CLOSING DATE

Applications will close at **4.00pm on 8 October 2025** and children and parents need to be aware that late applications cannot be accepted.
